

REPORT ON THE DISSAPPEARANCE OF “MC SHAMER”

The Republic of Keegan (KLW) reaffirms its longstanding commitment to transparency between the government and its citizens—an assurance upheld since the publication of our fiscal reports in 2024, prior to their suspension following the February 11th attacks.

In light of recent speculation and public concern regarding the reported disappearance of prominent Keeganian cultural figure **MC Shamer** (Sir Shamer Riser-Presley), the KLW hereby issues the following official statement to clarify his status and dispel circulating misinformation:

1. MC Shamer is alive and in good health. He currently resides abroad with his spouse and three children while fulfilling duties in service of the Keeganian state.
2. Disclosure of his current role as a field operative does not compromise mission integrity, as he has been equipped with the most advanced and classified concealment technologies available to the Keeganian government, ensuring his anonymity and safety throughout the duration of his assignment.
3. With respect to his career as an entertainer, future participation under the MC Shamer pseudonym remains undetermined. At present, he has expressed no intention of resuming public appearances or artistic endeavors.

The KLW urges all citizens to refrain from speculation and the dissemination of unverified claims, which may foster unnecessary alarm or confusion. For accurate information, rely solely on official government communications.

He is not dead, we repeat, he is NOT dead, trust us.

Sincerely,
